What you need to know before booking your shore excursion:

- All our tours are offered with English speaking guides.
- The length of the tours and time spent on the sites is given as an indication as it may vary depending on weather, sea and traffic conditions and on the group's pace.
- The level of physical fitness required for our activities is given as a very general indication. Passengers should be fit and active to join tours which include hiking, biking, snorkelling, boating, or similar activities.

How you can book your shore excursions:

- You can book shore excursions onboard, using our "sign-up lists" available at the library, except tours including Manuel Antonio National Park, which must be booked in advance with Star Clippers and is not available onboard.
- Debark tours ending at the airport and transfers can now be pre-booked prior your cruise.
- In order to provide the best service and to avoid disappointments, please book your shore excursions as early as possible: places are limited and there is a booking deadline for each port.
- A minimum number of participants is required for tours; if the required number is not attained, the tour may be cancelled.
- Cancellation and changes are possible until the booking deadline. After the booking deadline, 100% cancellation fees will be charged.

Important notes:

- Departure times of the tour are mentioned on the daily program of each port.
- The Captain reserves the right to alter the itinerary in order to suit wind, weather and local conditions.
- All information concerning excursions is correct at the time of printing. However, Star Clippers reserves the right to make changes, which will be relayed to passengers during the Cruise Director's onboard information sessions. Last updated tour descriptions are available in a file at the library.

QUEPOS, COSTA RICA

QUEPOS - Manuel Antonio National Park and beach break

Duration: 04:30 approx.

Transportation: air-conditioned motorcoach (or minibus)

Price: 95 €

Activity level: moderate

Min 12 / Max 24 participants

This shore excursion can only be pre-booked and will not be available onboard.

This excursion is one of the very best in the Central Pacific region of Costa Rica and a great opportunity to experience the rain forest up close.

Manuel Antonio National Park is a jewel amongst Costa Rica's National parks whose fragile ecosystem shelters a variety of wildlife including mammals and tropical birds. The park protects 683 hectares of tropical rain forest and over a thousand different species of flora. Another major attraction are the white sand beaches at the edge of the forest.

After twenty minutes' drive, you will arrive at the National Park, where you will enjoy a guided walk through the park (approx. 1.5 hours). Your guide will take you on a trek through the dense rainforest and tell you all about this unique environment, rich in biodiversity. Before heading back to Quépos you will enjoy a tropical fruit buffet prepared by your naturalist guide and some free time at a beach (outside the national park area) to sunbathe or swim.

Please note: Manuel Antonio Park is one of the most visited attractions in Costa Rica so you can expect large numbers of people and queues to get in. Wildlife sightings are not guaranteed.

This tour involves moderate walking (approx. 1.5 hours) on uphill and uneven surfaces.

Guests are advised to wear hiking shoes (or shoes with a good grip) and to bring a hat, sunscreen, insect repellent, water, raincoat or poncho and a waterproof protection for camera and mobile.

For the stop at the beach, guests are advised to bring a towel from the ship and wear a swimsuit under the clothes.

Star Clippers is required to submit to the National Park full name, passport number, age and nationality of each visitor.

GOLFITO, COSTA RICA

GOLFITO - Golfo Dulce dolphin watch and swim stop

Duration 03:45 approx.

Transportation: motorboat

Price: 129 €

Activity level: moderate

Min 15 / Max 48 participants

Costa Rica's is home to one of the most biologically diverse marine habitats in the world and its warm seas also attract dolphins. The best place to observe these magnificent mammals is in the waters off the Osa Peninsula. You will board your boat and head out to "the most biologically intense area on earth", according to the National Geographic. Here large groups of dolphins, sea turtles and manta rays swim in the clear blue tropical water, putting on an amazing show.

Other possible sightings may include six different species of turtles, large schools of tuna feeding and the occasional marlin or sailfish. During your cruise around the bay, an experienced naturalist guide will provide informative commentary so you will learn about the biology, behavior, and habitats of the marine life you see.

There will be some amazing photo opportunities and, weather permitting, you will have some free time to swim in the calm waters of one of the local beaches.

Please note: Going ashore at Enchanted Bay during the swim stop is at discretion of each guest and requires a wet landing.

The itinerary and the tour sequence may be changed at Captain's discretion depending on weather conditions and tide.

This excursion is not recommended for guests who suffer from sea sickness, those with mobility problems, neck/back problems, and pregnant women. Marine life sightseeing is not guaranteed.

Guests are advised to bring swimsuit, sunscreen and a towel from the ship. Wet landing is required.

PLAYA PANAMA (BAHIA CULEBRA), COSTA RICA*Wet landing is required in this port!***PLAYA PANAMA - Palo Verde National Park and local traditions**

Duration: 07:00 approx.

Transportation: air-conditioned motorcoach and boat

Price: 129 €

Activity level: moderate

Min 10 / Max 60 participants

Lunch included

This tour will take you on a Costa Rican Cultural experience, where you will get a glimpse of how our ancestors used to live in the 19th century. The house at Hacienda El Viejo was built in the 19th century and has recently been refurbished. It is a proud symbol of the hard-working spirit of those who live and died in the faraway colonial era. Get an insight into the "Sabanero" lifestyle, by visiting a real old Sabanero house and enjoying some delicious homemade snacks and coffee.

You will also get the opportunity to prepare a hand-made tortilla by yourself. At the "Trapiche", you will learn how craft sugar cane candy is made. The boat adventure will show you the beauty of the Tempisque river which flows into the Gulf of Nicoya. The river is situated on the edge of the spectacular Palo Verde National Park. Along the way, you will get to see the most amazing variety of birds from the national park, as well as crocodiles, iguanas, and monkeys. The marshes, which support an incredible ecosystem and serve as home to many migratory birds from North and South America, are created when the Tempisque river gets swollen during the rainy season.

After the boat ride you will be treated to a delicious Costa Rican lunch in the authentic atmosphere of the Hacienda House, enjoying wonderful views of the savannas and sugar cane fields.

Please note: this tour is not recommended to guests with reduced mobility. Guests are advised to wear comfortable walking shoes and to bring a hat, sunscreen, insect repellent and water. The order of the sites visited may be changed.

All animals at the National Park are wild animals, visitors are advised not to feed them.

Driving time to Hacienda El Viejo is approximately 1:15 hours (each way). The boat trip lasts approximately 1 hour.

BAHIA POTRERO - Congo Canopy Adventure

Duration: 04:15 approx.

Transportation: air-conditioned minibus

Price: 105 €

Activity level: strenuous

Min 10 / Max 32 participants

After a short drive, you will arrive at the canopy tour departure point. This private reserve protects over 100 hectares of tropical dry forest. Over the last decade, thousands of hectares of this precious forest have been cut down for its beautiful selection of hardwoods.

The only dry forest reserves left on the American continent are to be found in northwestern Costa Rica.

The fauna is especially abundant in the dry forest. Hundreds of different species of birds have been sighted, along with howler monkeys, many species of snakes, coatis, and other mammals.

Your adventure starts when you arrive at the canopy. A ground level platform on the upper side of a canyon is where it all begins. Your safety is assured by an industry approved safety harness as you glide through the forest along a network of steel cables connecting eight trees. Learn the secrets of the dry forest, as you swoop from tree to tree, enjoying a bird's eye view of your surroundings.

At the end of the last cable, you will come down to earth via a ground level platform located at the end of the canyon.

Please note: Minimum age for participating in this excursion is 12 years old (minors must be accompanied by an adult).

Max weight for participating in this excursion is 235 lbs / 106 kg.

PUERTO CALDERA, COSTA RICA**PUERTO CALDERA – Espiritu Santo coffee and Sarchí (ending at SJO airport)**

Duration: 06:30 approx.

Transportation: air-conditioned motorcoach

Price: 99 €

Activity level: moderate

Min 10 / Max 30 participants

Lunch included

This excursion is suitable for passengers disembarking in Puerto Caldera with flights leaving San José airport after 6:00 pm

Coffee is one of Costa Rica's most important crops and exports. This tour will take you through the Panamerican Highway towards the town of Naranjo to Espiritu Santo coffee plantation, where you will learn about Costa Rican coffee history and have the opportunity to taste a freshly roasted cup of coffee.

Coffee made at Espiritu Santo is called "Cafe Naranjo", and it is one of the best coffees in Costa Rica due to the dark roasting process and the rich flavor.

On arrival your tour starts with the seedling station. At the nursery you will have the opportunities to see the different stages of the coffee plant. Continuing, you will arrive to the wet mill, here you learn about how the coffee cherries are processed, peeled, selected, dried and stored.

You will then visit the roasting room, here is where you will experience the real coffee aroma.

At "La Casita de Juancho" you will learn first-hand how our ancestors used to brew coffee, with a rudimentary "chorreador" instead of a coffee maker. At the end of the Coffee Tour, once you have learned and discovered all the secrets within a coffee cup, you will savor and enjoy a good cup of coffee.

There is an opportunity to visit the gift shop and bring home some local coffee.

Finally, you will be transferred to the town of Sarchí to enjoy a delicious typical lunch. You will also have the chance to take a picture of the largest oxcart in the world before continuing to San José airport.

Colorful oxcarts ("carretas" in Spanish) are an iconic part of Costa Rican culture and were used in the past by farmers to transport their crops to the market.

Please note: Guests are advised to wear comfortable walking shoes and to bring a hat, sunscreen, insect repellent, water and a rain jacket (or poncho).
