Our ship anchors off Lipari, the main island in the archipelago, and guests are taken ashore by tender to Marina Corta, where they meet their guide and walk through the village to reach the coach for a scenic tour of the island.

The excursion begins with a drive inland towards the hills to reach the panoramic viewpoint of Quattrocchi, 300 metres above sea level. From this high vantage point you can admire the cliffs of Lipari and the neighbouring island of Vulcano with its fumaroles, which are openings in the earth's crust and were once thought to be the entrance to the underworld.

During this panoramic tour there will be a stop at "Marisa's Place" where you will have the opportunity to taste local Malvasia wine and biscuits. The Malvasia grape has been cultivated in the Mediterranean region since ancient times and produces a sweet dessert wine that is strengthened by the strong rays of the island's sun. Traditional Aeolian delicacies include nacatuli - small biscuits filled with almonds, cinnamon and tangerines. Sesamini, flavoured with vanilla and orange and covered with sesame seeds, and Spicchitedda, made with almonds, mulled wine and cinnamon. The next stop is a viewpoint over the island of Salina. If the weather is clear, you can also see other islands in the archipelago. For those who feel like exploring, there will be time to walk around the town before returning to the ship.

Please note: There is a 15 minute walk over cobbles and uneven ground between the tender jetty and the coach park. Dress for the weather, wear comfortable walking shoes and bring a hat and water.

After disembarking with the tender, you will reach Marina Corta, in the port of Lipari, where you will meet your guide and board a private motorboat for a short trip to Vulcano. Vulcano is a small volcanic island in the Aeolian archipelago. The island has three volcanoes. One is ancient and has been dormant since prehistoric times. It forms the main mass of the island. The highest points are Monte Saraceno at 481 metres, Monte Aria at 500 metres and Gran Cratere (or Fossa di Vulcano) at 386 metres. Gran Cratere, which is still active, dominates the northern part of the island. It is characterised by strange formations and colours, especially near the summit.

On arrival at Vulcano you can either walk to the base of the volcano or enjoy a short visit to the village.

The tour continues to the hot sea (you can swim in it if you wish), the fumaroles and the beach of Sabbie Nere ("black sand"). Return to the boat and sail back to Lipari on a scenic cruise along the west coast of Vulcano, Vulcanello, Spiaggia di Ponente, Grotta del Cavallo, I Faraglioni and Lipari. On the way back you will enjoy a scenic cruise of about an hour.

For those who feel like exploring, there will be time to walk around the town before returning to the ship.

Please note: This tour is not recommended for guests with a history of sea sickness and involves walking on uneven ground.

Dress for the weather, comfortable walking shoes and bring a hat, sunglasses and water.

Wear a swimsuit underneath and bring a towel if you plan to swim. The mud baths in Vulcano are closed until further notice.

The boat trip to Vulcano takes about 20 minutes. The return trip to Lipari takes approximately one hour.

You will enjoy a beautiful and panoramic drive up from the port of Amalfi to Ravello, one of the most famous and popular places on the Amalfi Coast.

As you enter the main square of Ravello, you'll see the Duomo. The linear façade preserves, from the original Roman design, three oculi and an illuminated window above the entrance portal. It has a classical marble cornice and a bronze door made by Barissano da Trani in 1179. To the right of the church is the bell tower, built in the 13th century. When the Duomo is open, you can look inside and see the majestic marble pulpit, richly decorated with mosaics, friezes and columns, supported by six slender spiral columns resting on marble lions.

You'll visit Villa Rufolo, a spectacular complex made up of the main palazzo, built in the second half of the 13th century, and various buildings in the Arab-Sicilian style, with a wide terrace overlooking the Gulf of Salerno and a luxurious garden with pine trees, cypresses and exotic plants. Richard Wagner was particularly impressed by the spectacular nature of the gardens. He saw in them the materialisation of the magical garden or Klingsor in his "Parsifal". A panoramic 45-minute boat ride will take you to the village of Positano. Explore the village at your leisure and spend some time browsing some of Positano's 200 boutiques selling the casual, locally made cotton clothing for which the town is famous.
