Active & Adventure

Your guide will meet you at the pier and you will walk together to the kayak station.

After a safety briefing and instruction in paddling techniques, you will be ready to set off on your sea kayak adventure along the beautiful Hvar coastline, exploring the small islands that make up the famous Pakleni Archipelago. The name is sometimes translated as Hell's Islands (pakleni means hellish), but its origin is more likely derived from "paklina", an archaic word meaning tar or pine resin, the substance used to coat local boats.

Far from being "hellish", the islands are a little slice of heaven, offering unspoilt scenery, thick pine forests that provide shade even on the hottest summer days and crystal blue waters. The kayak expedition takes us past bays and narrow straits to small pebble beaches where you can swim, snorkel and relax.

Please note: This is a very active tour and is only recommended for guests in very good physical condition.

Participants must be able to swim. This tour is not suitable for guests with reduced mobility, back or neck issues and pregnant women. Min age: 6 years (minors must be accompanied by an adult). Max weight: 264 lbs / 120 kg.

Some of the beauty of Ponza can only be appreciated from the sea. On this boat tour you will see crystal clear bays, islets, coves, cliffs and sea grottoes, while learning about the history of the island from our guide.

The tour starts from the pier and goes clockwise around the island, stopping along the way to allow passengers to swim. You will sail past the Pilate's Caves (ancient Roman pools dug into the rock), under the Guardia lighthouse, built on the top of an 80 metre high rocky promontory, to reach the east coast, then continue along the beautiful bay of Chiaia di Luna, with its white cliffs. On the west side of the island you can admire the Frontone beach with its unique cliffs.

This itinerary includes one or two stops for a swim (depending on time available and sea conditions) and a light lunch on board (pasta course with drinks - water, wine and coffee served with the light lunch).

Please note: During the boat trip, there are usually one or two stops for swimming. The captain decides where and when to stop as it depends on the conditions of the day and the timing available. Guests must know how to swim.

Wear your swimsuit under your clothing and bring a towel, sunscreen, sunglasses, a hat and water.

There is no walking involved in this tour, but guests must disembark and embark with a ladder during the swim stops.
