History & Culture | Unesco

Pick up from the pier at Dikili and take a bus to the ancient city of Pergamum. Originally a small settlement in the earliest Archaic period, Pergamum became famous after the fall of Lysimachus, a successor of Alexander the Great, in 281 BC and the rise of Philetairos, governor of the city and founder of the Hellenistic Attalid dynasty. For over a century, Pergamum was considered the centre of all cultural activity during the Hellenistic period. Travellers from all over the country knew of this great city and often travelled hundreds of miles to visit the beautiful and vibrant city. Pergamum saw the rise and fall of many rulers and during the reign of Eumenes the Second, Pergamum became the richest city in the world after the spoils of war from Athens were brought to the city and used to fill the coffers of all the rich men who lived there.

Art and science flourished in equal measure and some of the country's greatest artists came from this great city. Take a cable car to the Acropolis of Pergamum. After visiting the Acropolis, you will descend to the coach park for a short ride to Asklepiion, where you will visit the remains of the oldest therapeutic centres in the world. At the end of your visit you will be taken back to our pier in Dikili.

Please note:

- ✓ This tour involves prolonged walking on cobblestones and uneven surfaces with inclines and steps.
- ✓ Dress for the weather, wear comfortable walking shoes and bring a hat and water.
- ✓ The bus journey between Dikili and Pergamum takes approximately 40 minutes each way. The drive from the Acropolis car park and Asklepiion takes about 15 minutes. There is a cable car service between the Acropolis coach park and the site.
- ✓ The tour includes transportation, licensed guide, entrance fees to Asklepiion (€ 13 pp), Acropolis (€ 15 pp) and cable car tickets (€ 15 pp).
- ✓ There is no shopping stop during the tour. Guests can do shopping on their own at the end of the tour.

LIMNOS (Myrina) - Limnos at ease

Panoramic

The coach leaves the port of Myrina for a scenic drive through the countryside to the town of Moudros. Moudros, the former capital of Limnos, is the second largest town on the island. During the ill-fated Dardanelles campaign of the First World War, the town and its harbour were used as an Allied base. Hundreds of young men lost their lives here and are buried in the Allied Cemetery.

You have some free time to explore the seafront or just relax and soak up the atmosphere in one of the cafes. Next stop is Kotsinas, a small fishing village on the north coast of Limnos, which in classical times was a trading port for the nearby town of Hephaestia.

Tavernas line the seafront and on a hill above the village stands the church of Zoodochos Pigi (Life-Giving Spring), built over an underground well. Next to the church is a statue honouring the legendary heroine Maroula. In 1478 Suleiman Pasha besieged Kotsina and when Maroula saw that her father had been struck down, instead of crying and wailing, she grabbed his sword and fought on, saving the island from the Turkish invaders.

We then return to the town of Myrina for a pleasant walk along the coast to admire the neoclassical houses and the fortress.

Please note: Dress for the weather, wear comfortable walking shoes and bring a hat and water. Driving between the places will not be long, 20-30 min. Walking in Kotsinas and Moudros will be at discretion of the passengers, and in town will be longer, about 1 km. The order of the visits is subject to change.

SKIATHOS - Skiathos' beaches tour by boat

Boating & beach

Leaving the port of Skiathos behind, we sail along the eastern coast to our first stop - Lalaria beach, located on the northern part of the island and accessible only by boat.

Covered with grey pebbles, it is famous for its crystal clear waters and a huge arched rock that forms a natural bridge between the beach and the sea.

After some free time at Lalaria, we will return to the boat and visit another beach not too far away, called Castro. Above the beach you can see the remains of the old medieval city of Skiathos (1100-1600), which was once the capital of the island.

You can either spend your time relaxing and swimming on the beach or take a walk up the hill and explore the old town (15 minutes walk), admiring the frescoes in the small Byzantine churches and soaking up the unique medieval atmosphere. If you climb to the top, you will be rewarded with breathtaking views from the castle and can take some wonderful photographs. From Castro beach we head back to the harbour.

Please note:

- ✓ This tour is not suitable for guests with reduced mobility, back or neck problems or pregnant women.
- ✓ The route and itinerary are subject to change depending on sea conditions. In case of adverse weather conditions and strong winds, the beaches may not be accessible, in which case these stops will be replaced without prior notice by the beaches of Tsougria and Vromolimnos, or others. The beaches may be overcrowded in high season.
- ✓ Wear your swimsuit under your clothes and bring a hat, sunscreen, sunglasses, water, a towel from the boat and some cash to buy extra drinks or snacks. Guests are entitled to one complimentary soft drink on the boat. Lalaria beach is a pebble beach and there are no facilities. Castro beach has a kiosk where snacks and drinks can be purchased (not included in the tour), but there are no sunbeds or umbrellas for hire.

SKOPELOS - Following the steps of "Mamma Mia!"

Sightseeing | Panoramic

A minibus will be waiting at the harbour to take you to the northern part of the island, called Kastri, where you will visit the small church dedicated to St John the Baptist. Climb up the stone steps carved into the rock, and at the top you will be rewarded with breathtaking views of the archipelago. This humble but picturesque chapel became famous after the filming of Mamma Mia in Skopelos in 2007, when it was chosen for Sophie's wedding. On the same spot, Donna (Meryl Streep) sings ABBA's famous hit "The Winner Takes It All" to Sam (Pierce Brosnan). The tour continues to Kastani Beach, which is also featured in the film. The scene where the cast danced on the jetty was filmed here, although the jetty was built specifically for the film and dismantled afterwards. It was here that Tanya sang "Does your Mother Know" and Sophie and Sky were filmed singing "Lay all your love on me". It is also the backdrop for Donna and the dads' farewell to Sophie and Sky, where they sing "I have a dream". You will not find Donna's bar, but there is a very nice private beach bar where you can buy a drink or go for a swim. On the way back to the harbour there is a short stop at Agnonda's beach to get a glimpse of Cape Amarandos, a rocky peninsula with three isolated pine trees. Back in Skopelos, you will have some free time to explore on your own or do some shopping before rejoining the ship.

Please note:

- ✓ This walk involves extensive walking over cobbles and uneven surfaces with steps and inclines. There are 200 stone steps up to St John's chapel.
- ✓ The journey from the harbour to the chapel takes approximately 60 minutes (it may take longer in high season).
- ✓ Dress for the weather, wear comfortable walking shoes and bring a hat and water. If you plan to swim at Kastani beach, wear a swimsuit under your clothes and bring a towel from the boat.

History & Culture | Unesco

Transfer by ship's tender boat to the port of Galatas on the Argolid peninsula, where you will meet your local guide and board your coach for the short journey to Epidaurus.

Epidaurus was the site of a shrine dedicated to Aesculapius, the Greek god of medicine. Patients flocked to the sanctuary seeking a cure for their ailments, and Aesculapius would either perform a cure while they slept or appear in a dream to the priests, who would then treat the patient according to his instructions. As well as praying to be cured, patients could also enjoy thermal baths and hydrotherapy, as well as a "show"! As soon as you arrive at the site, you will walk through a beautiful grove to discover the famous theatre, one of the best-preserved monuments of the ancient world.

The theatre holds 14,000 spectators and is famous for its acoustics. It is still in use today and modern visitors enjoy musical productions and performances of Greek drama. You will have some time to wander around so you can test the wonderful acoustics for yourself. The nearby museum houses fragments of the Asklepiion sanctuary.

Please note:

- ✓ This involves extensive walking (approximately 1.5 hours) on uneven ground, but no uphill walking.
- ✓ Dress for the weather, wear comfortable walking shoes and bring a hat and water.
- ✓ The tour starts from the village of Galatas (on the mainland, not on the island of Poros). The ship's tender will take you directly to Galats, where your guide and bus will be waiting for you.
