Tarquinia offers the visitor a perfect mix of different historical eras, from the Etruscan Tarquinia to the medieval Corneto. A journey through time among medieval walls, towers, churches and the Etruscan Museum.

The ancient city of Tarquinia was one of the richest cities of the Etruscan civilisation and developed in an excellent geographical position, 10 km from the sea on the top of a hill that dominated the valley of the river Marta. Follow our guide for a walk through the medieval city and then immerse yourself in the Etruscan civilisation with a visit to the Etruscan Museum, housed in the 15th century Palazzo Vitelleschi.

Here you will find the largest collection of Etruscan art: sarcophagi, vases, bucchero ceramics, dishes, pottery, statues and ancient coins are just some of the important works that you can admire inside the museum. The museum also houses a unique work of art, the famous Cavalli Alati (Winged Horses), a terracotta high-relief from the "Ara della Regina" sanctuary. At the end of the visit, you will have some free time to enjoy a snack or a refreshment in the old town before being transferred to Fiumicino airport.

Please note: This tour involves moderate walking over cobbled and uneven ground with inclines and some steps.

Dress for the weather, wear comfortable walking shoes and bring a hat and water.

Estimated times: Civitavecchia to Tarquinia 30 minutes, Tarquinia to FCO airport 70 minutes.

The guide will leave the group just before the bus leaves Tarquinia for the airport.
